HIGH

As I look through the years I can remember the first day we said, "Hi."

It was an empty hi, not much backbone.

As we grew so did our backbones. Our empty "hi's" turned into: slumber parties, bike races, scraped knees and dirty jeans.

Then came High School, more "hi's" taking us one step farther to the top. It didn't seem like much because the building was the same. But just knowing we had a name for ourselves for us we were the freshman of Kutztown High.

The dances, hoping to be asked just once, or hoping to catch that girls ege.

Holding hands, showing off. The love that was forever, ended last week and as the school years came and went so did small crushes.

Here we are Seniors, our "hi's" are shouted straight and tall and our backbones are just about complete. We waited so long and now we're here! Except we're different: we're excited and happy yet scared, even sad to have to say good-bye to friends we once thought of only in terms of "hi." But friends are forever and so are memories. So come this June when we're out on our own don't think of good-bye, just remember that long ago, long lasting "Hi!"

Message To Class Of 1985

Congratulations! You have successfully completed your public education in the Kutztown Area School District. The formal education you received should have provided you with the necessary preparation to assist you in making you way through life.

You are graduating in an interesting and challenging time. It is a time in which you will find unexcelled opportunities and responsibilities. It is a time when you will need, desperately, to have a set of values.

Perhaps it is an oversimplification but I believe we can divide people into two categories: those who are part of the problems and those who are part of the solutions. My message to you is that you dedicate your life to being a part of the solution.

Let the Golden Rule guide your interactions with others in your life. May God bless each of you as you take your place in the main stream of American life!

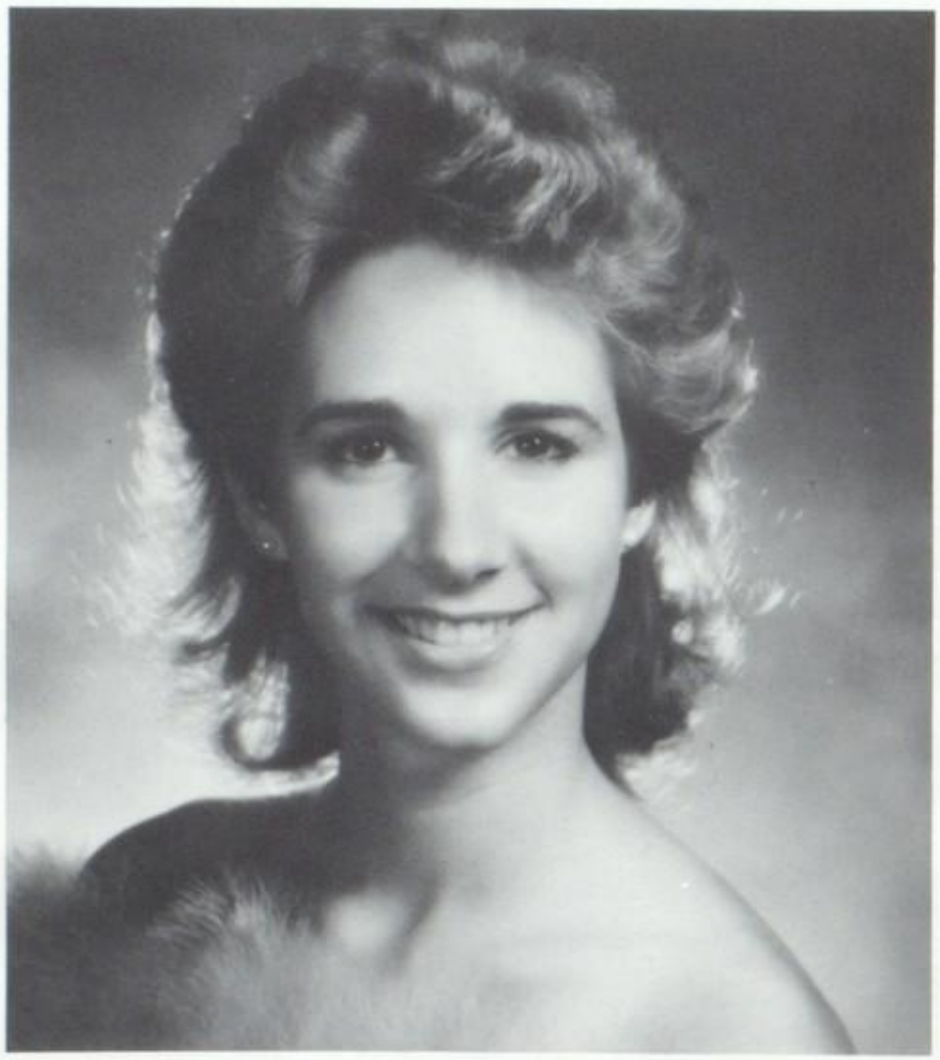
Junior Miss



Christine Schearer

On the evening of October 6, 1984, Christine Schearer represented KAHS as our Junior Miss. Prior to the pageant, all of the contestants were interviewed to determine scholastic achievement and alertness. During the pageant, all of the girls were judged on talent, physical fitness, poise, and appearance.

For her talent Chris presented a piano solo entitled "Concerto in A Minor", a lively piece by Edward Grieg.

Chris would like to thank everyone for all of their help and support! It was a lot of work, but it was worth it and an experience that she'll never forget. It was an honor to represent KAHS in the pageant.
